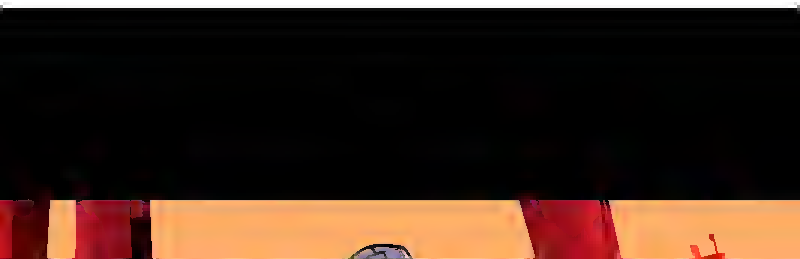
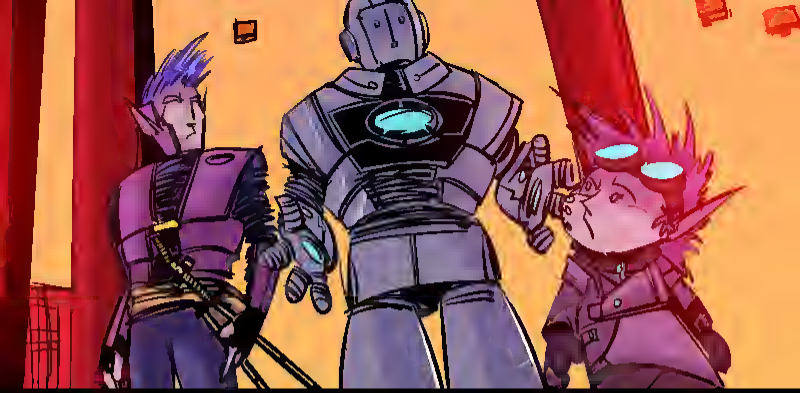
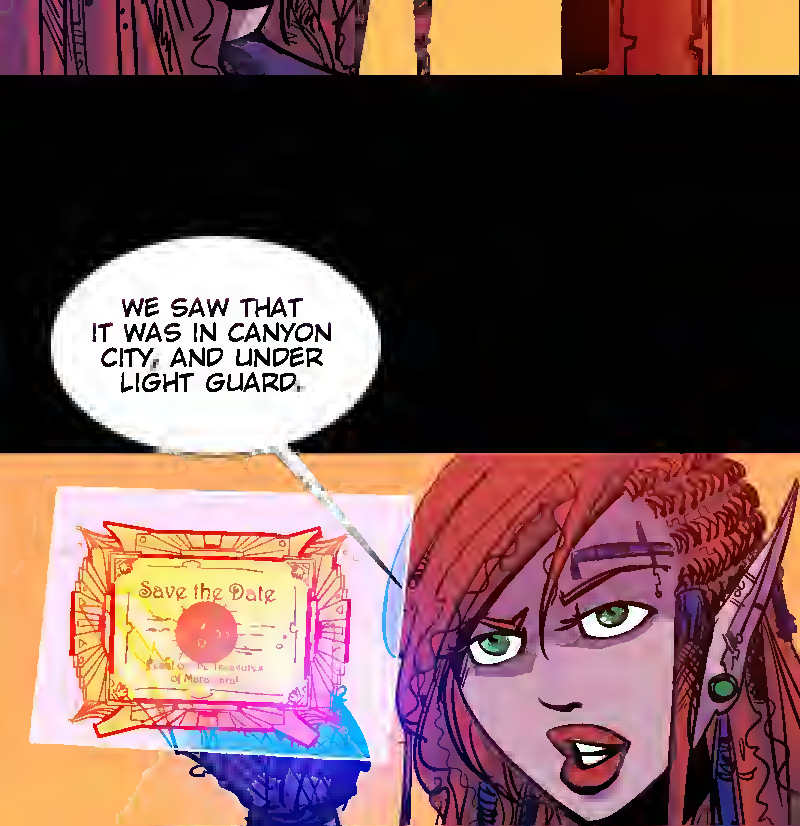
AND AMANDA SOUSA MACHADO





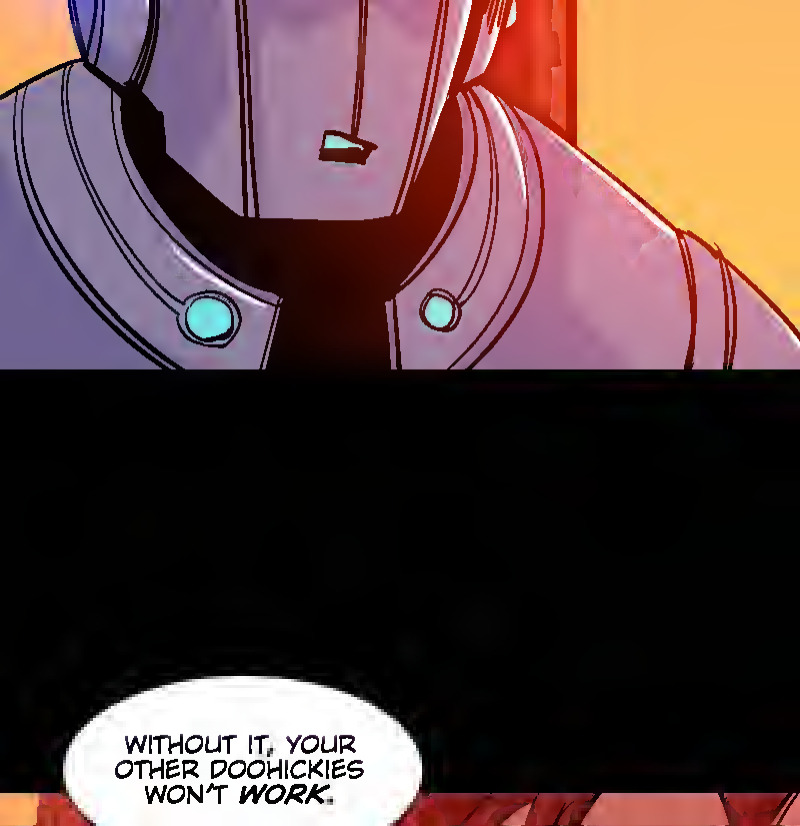
WHY ARE YOU HERE?

WE ARE INTERESTED IN THE *NOOSPHERE*.

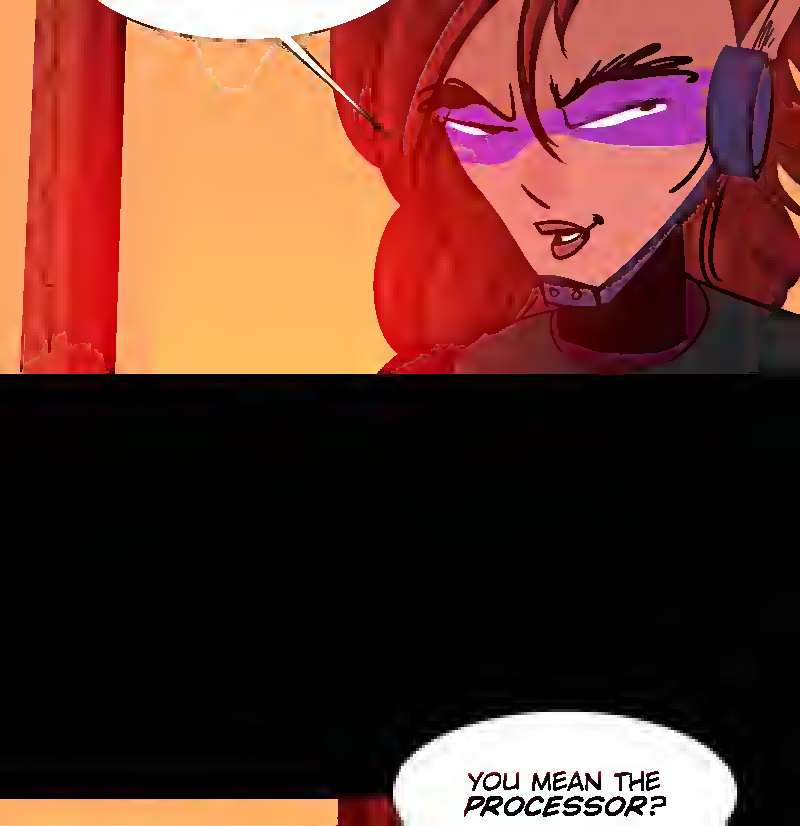


WE SAW THAT IT WAS IN CANYON CITY, AND UNDER LIGHT GUARD.
Save the Date

WHAT IS ITS SIGNIFICANCE?



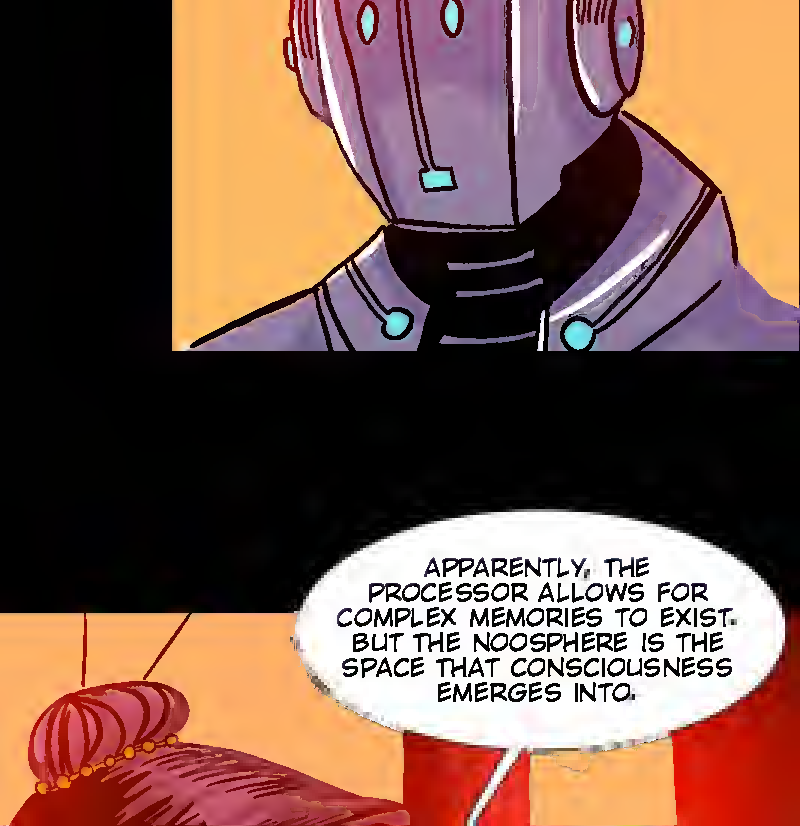
WITHOUT IT, YOUR OTHER DOOHICKIES WON'T *WORK*.



YOU MEAN THE
PROCESSOR?

ACCORDING TO MACGUFFIN, YES.

HOW?



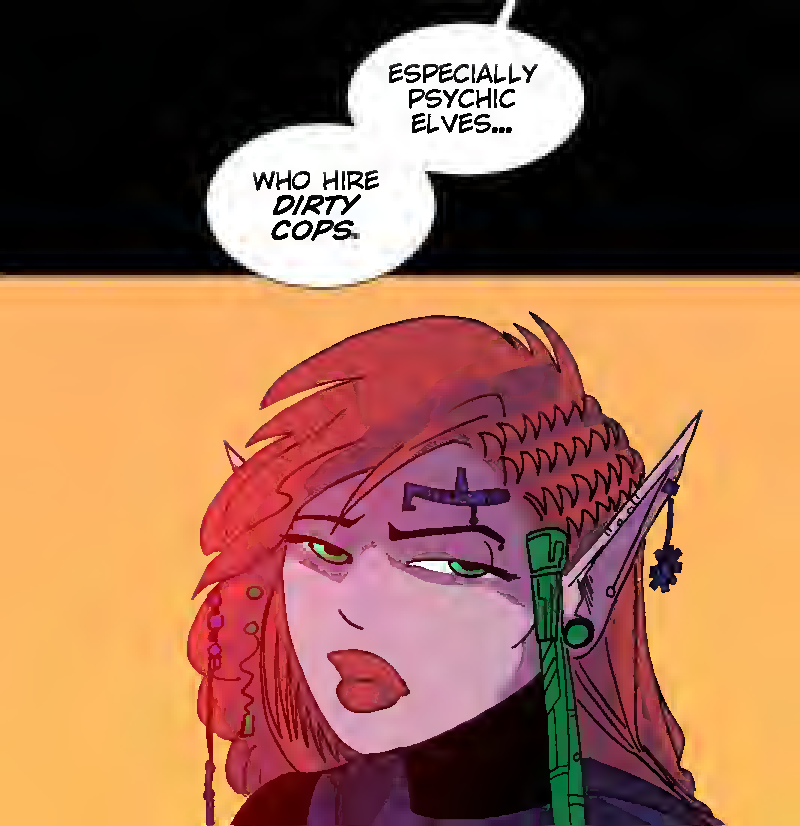
APPARENTLY, THE PROCESSOR ALLOWS FOR COMPLEX MEMORIES TO EXIST. BUT THE NOOSPHERE IS THE SPACE THAT CONSCIOUSNESS EMERGES INTO.

IF MACGUFFIN KNEW THIS, WHY WEREN'T WE PROTECTING IT?

IT WAS ALREADY IN THE POSSESSION OF THE UNIVERSITY. WE ASSUMED IT WAS SAFE.
WE SIMPLY DIDN'T ANTICIPATE THE PRIESTESSES' INTEREST IN IT.

PREDICTION IS SUPPOSED TO BE YOUR RACKET, ISN'T IT?

YOU CAN'T ANTICIPATE EVERYTHING.



ESPECIALLY PSYCHIC ELVES...
WHO HIRE DIRTY COPS.

I KNEW IT WAS TOO GOOD TO BE TRUE.
UH HUH.

WHO WAS HE?
LIEUTENANT STARR WAS ONE OF MY MOST DECORATED UNDERCOVER OFFICERS.

AND WE HAVE NO FRAKKING IDEA WHO HE MIGHT BE WORKING FOR.

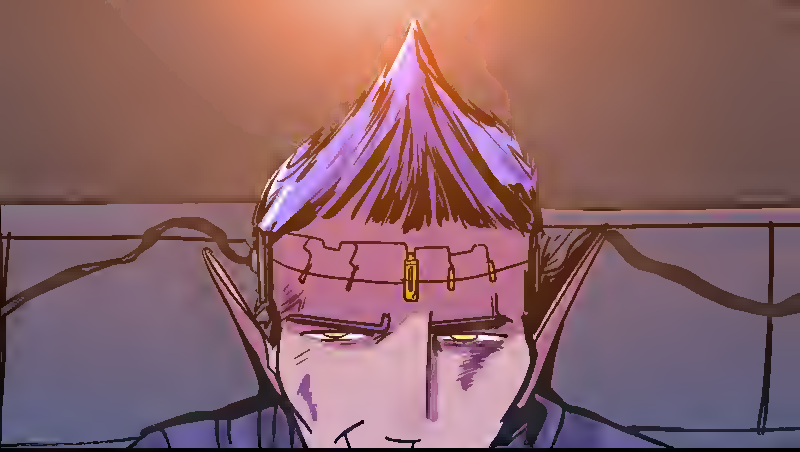
I KNOW WHO HE'S WORKING FOR!

HOW?

WHEN I WAS BEING HELD BY *THE FORGE*...

THEY TOOK THE TIME TO STUDY THE NANITES THAT IAN AND MATH DESIGNED.
THEY HAD NO IDEA IAN WAS

HACKING THEIR SYSTEM WITH THEM AT THE SAME TIME.



ONCE OUT, I TOOK THE OPPORTUNITY TO INFILTRATE THE JUMP SHIP.

I FOUND KAZITIMER SPEAKING ON AN ENCRYPTED FREQUENCY WITH YOUR LIEUTENANT STARR.
